The Glow Illuminated Plant Pots are perfect for making a bright statement poolside and if you're entertaining fill them full of ice and they become ideal for keeping drinks cool.

These Glow products operate with easy charging technology. Once charged they can be moved anywhere you need them, such as: by the pool; in the garden; on the lawn; or your office reception. The choice is yours.

The Glow Plant Pots are available in many different styles and sizes and like all Glow products; they come with a remote control so you can change to one colour or to many different colours.
